

The 11th Asian Forum on Graphic Science

AFGS 2017

第11回 アジア図学会議

The 11th Asian Forum on Graphic Science (AFGS2017) will be held in Tokyo, Japan. The AFGS2017 aims at providing a forum for presentation and discussion of both academic and industrial research involving Computer Graphics and Graphics Education as well as other related fields. The official conference language is English. Selected papers will be invited to submit to some journals. Participants of AFGS 2017 are not limited to Asian region and people from all over the world can join the conference.

At the venue of AFGS2017, the exhibition and final contest of Asian Digital Modeling Contest 2017 (ADMC2017, <http://admc2017.graphicscience.jp/>) will be held as well.

by JSPS KAKENHI Grant
Number JP16HP0706.

Topics

● Computer Graphics

Computer Animation and Game
Geometric and Solid Modeling
Image Synthesis
Pattern Recognition
Digital Image Processing
Scientific and Technical Visualization

● Graphics Education

Education of Descriptive Geometry and Graphics
Education Technology Research
Educational Software Development
E-learning

● Applied Geometry and Graphics

Product Modeling
Computer Aided Design and Drafting
Modeling of Objects, Phenomena and Processes
Application of Geometry in Arts, Sciences,
Architecture and Engineering
Geometric Aspects of Technical Art and Design
Modern Graphics Technology and Application

● Theoretical Graphics and Geometry

Geometry of Curves and Surfaces
Kinematics Geometry
Descriptive Geometry
Computer Aided Geometric Design
Computational Geometry
